### WORKSHOP LEADERS

---

Dr. Marcus Campbell

Aracely Canchola

Taya Kinzie, LCSW

These workshop leaders from Evanston Township High School will team to up to engage participants in a deeper look at the interconnectedness of race and well-being, reflecting on personal identity and biases, as they relate to our relationships with others. Healing centered engagement, restorative practices, and our sustaining practices are all key to understanding the number and complexities of needs in the lives of those we serve and support.
